

JOSHUA & WENDY UPDATE

WE JUST WRAPPED 1 MONTH IN CEBU, PHILIPPINES

JOY can coexist with sorrow!

WOW We have witnessed this on numerous levels while we are here. Typhoon victims have lost everything and yet they openly invite us into their communities. The Families and children we've spent time with in their neighborhoods have deeply marked our hearts! And the Cebu staff serve the Filipino people day in and day out with JOY because of Jesus!

We may get to spread cheer through dancing and praying with these precious people, but the longevity in relationship has been paved through Cebu Staff's ongoing commitment to be a light to these communities. Our hearts are gripped by the smiles and cuteness of the kids in the middle of their very challenging circumstances. The homes, slums and living conditions of many of these families is unbelievably heart-wrenching. The evacuation centers where the typhoons victims went after losing everything have so much grief, but JOY unexplainable to welcome us in to play with their kids and encourage them through prayer! It's hard not to feel both joy and sorrow with these precious people.

Wendy & JOSHUA

ministry update

Wendy and I had an incredible experience ministering to typhoon-affected families at an evacuation center in Cebu, Philippines. The children have left an indelible mark on my heart. We saw at least 10 salvations at the evacuation center reaffirming Jesus is worthy of His inheritance!

Additionally We were doing slums ministry last week and I got to share all God has saved me from. A couple of these guys were drug dealers and in the middle of some other stuff, but praise God, I was able to lead all 8 to Jesus Christ!

Getting to meet and pray with children and young ladies for them to understand their purpose along with WHO Jesus made them to be has been incredible! Our hearts have been gripped in dozens of ways through our time here - and its only the first month.

Additionally, Getting to be part of the ministry at the city Jail and then watching Joshua give his testimony and inmate' hands shoot through the bars at the end of his talking time when he asked "who wanted a new life in Jesus and who wanted to surrender their old life for one of HOPE and FREEDOM" was unbelievably powerful!

WE NEED SENDERS & we can't do this without you!

We are believing for \$3500 to come in for the next month! Will you partner with us today by giving as we go?

How then shall they call on Him in whom they have not believed?
And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent?

As it is written: "How beautiful are the feet of those who preach the gospel of peace, Who bring glad tidings of good things!"

-Romans 10:14-15
